**Subject:** LADWP - Power Outage scheduled for August 5th starting at 5:00 pm

Good evening everyone,

I just received a notification from LADWP, that they will need to shut down the power to the building on Saturday, August 5<sup>th</sup>, starting at 5:00 pm. The outage on our property is necessary so that important maintenance on LADWP's equipment can be performed.

**Please note that power will be shut off to the building between the hours of 5:00 PM and 8:00 AM, approximately.** As such, we ask that you power down all computers and other electronic equipment before 3 PM on Saturday, August 5<sup>th</sup>. **Additionally, the parking lot will be closed since the power to the roll up gate will be off. There will be no parking personnel onsite after 5:00 pm on Saturday August 5<sup>th</sup>.**

We realize that this can be inconvenient; however, it is mandated by the Los Angeles Department of Water & Power and must be completed. We kindly request that you plan
